The Mayor opened the meeting with the Pledge of Allegiance.

The Mayor stated that we were here once again for the application of 6014 Main Street. Due to the applicant not attending, the board was in agreement to table this application until the October Meeting. The board also requested that a note be sent to him reminding him of submitting a proper site plan, explaining the need for the change in deck size, to take in consideration the exit lane and whether or not the proposed deck interfered with exiting, and to review all items on the site plan checklist in their planning application.

Trustee Legg stated for the record he is recusing him self from the conversation and application review due to a conflict of interest.

Being there was no further planning business, the mayor made a motion to adjourn the meeting. Trustee Timpson seconded. 4 in favor, one absent, motion carried.
