A State of Emergency is hereby declared in the Village of Tannersville effective 9:30AM on July 29, 2026 and continuing in effect for a period not to exceed 30 days or until rescinded or extended by subsequent order.

The State of Emergency has been declared due emergency conditions produced by extreme flooding, hazardous roadway conditions, road closures, and damage to public infrastructure throughout portions of the Village of Tannersville.

As Chief Executive of the Village of Tannersville, I have exercised the authority given to me under New York State Executive Law, Article 2-B, to preserve the public safety and hereby render all required and available assistance vital to the security, well-being and health of the citizens of the Village of Tannersville.

I hereby direct the Department(s) of Village Clerk's Office and Highway/Department of Public Works to take whatever steps necessary to protect life and property, public infrastructure and other such emergency assistance as deemed necessary.

All residents and visitors are urged to avoid unnecessary travel. Motorists shall not drive through flooded roadways or around barricades, as doing so endangers lives and interferes with emergency operations.
