Second Floor

IF YES, PLEASE DESCRIBE TYPE OF LIGHTING & LOCATION _____

Please include the following with your applications or it may be returned incomplete.

A sketch, drawing to scale, showing the real property and adjoining properties and roadways, including location of buildings and the proposed sign location.

A sketch, to scale, of the sign including the description of the contents of the sign including drawings and words; indicate how the sign will be illuminated (if applicable), what materials the sign will be made of, including the supporting structure.

— A payment of \$250 payable to the Village of Tannersville for each initial permit. Freestanding signs and signs to be installed on Main Street/NYS Route 23A may be subject to site plan review. If you are not the owner of the property, written consent must be received from the property owner.

Please note, effective June 9th, 2020, new fees are in place for each initial application. There will not be a renewal fee. If the sign is replaced and not the same as prior, a new fee and application must be made. ***All signs are subject to approval from the Village of Tannersville Board. ***

Please note that all signs permits on NYS Route 23A are subject to the approval of New York State Department of Transportation in addition to the Tannersville Village Board.

The undersigned does hereby apply to the Village of Tannersville for a sign permit permitting the construction, erection, and maintenance of a sign as described above.
